INTRODUCTION

Background

USTA Overview

The United States Tennis Association (USTA) is a not-for-profit organization that was founded in 1881. The USTA is the national governing body for the sport of tennis and the recognized leader in promoting and developing the sport's growth on every level in the United States, from local communities to the crown jewel of the professional game, the US Open. The USTA is the largest tennis organization in the world with more than 700,000 individual members and more than 7,800 organizational members, thousands of volunteers, and a professional staff dedicated to growing the game. USTA's mission is to grow tennis to inspire healthier people and communities everywhere. The USTA is guided by an elected Board of Directors who is supported by more than 30 specialized national volunteer committees. In addition, USTA has 17 regional Sections, each of which manages the sport of tennis in its geographical area.

Additional information about the USTA can be found at www.usta.com

USTA National League Overview

The USTA League program is the largest recreational program USTA offers. Over 300,000 unique participants in the USTA League in 2024 within the Adult 18 & Over, Adult 40 & Over, Adult 55 & Over, Mixed 18 & Over and Mixed 40 & Over divisions and the section league programs. Our mission is to provide the best experience in competitive team play with recreation players. One part of providing the best experience to our players is by the scheduling of the local leagues by the local league coordinators around the country.

Purpose & Scope

The United States Tennis Association (USTA) is seeking a technology solution provider to integrate with USTA's current league software, Tennislink, to help alleviate the administrative burden on league coordinators with scheduling tennis league programming. In 2024, there were roughly 350,000 local league matches scheduled across 4,000 different venues across the country.

I. SERVICES OVERVIEW

USTA is seeking bids from technology platform providers for a digital scheduling solution that provides the following:

- Venue and Court Availability

- Create a UI for facilities or admins to enter availability
- Ability to Ingest Team Matchups from Tennislink
- Ability to overlay dynamic logic from venue availability and matchups including but not limited to:
 - Blackout Dates/Availability - Ability for facilities and teams to easily set and for the system to recognize those dates
 - Home/Away Balance: Ensure fair distribution of home and away matches
 - Split Start Times: The need to schedule matches with different start times
 - Facility Management
 - Scheduling Conflicts: Avoid conflicts the facilities set
 - Match Deletion/Editing
- Write schedule back to Tennislink

II. SCHEDULE FOR RFP*

The following schedule outlines key milestones of the RFP process:

1. Issuance of RFP by the USTA via Email: June 16th
2. Deadline for Indicating Intent to Respond and Submitting Questions via Email: Suppliers must formally indicate their intention to submit a proposal and submit all questions regarding this RFP via email no later than June 27
3. Distribution of a Comprehensive Question & Answer Document to All Interested Suppliers by USTA: A consolidated document containing all questions received and the official USTA responses will be distributed via email to all suppliers who have indicated their intent to respond. This document will be issued by July 9.
4. Proposal Submission Deadline: All complete proposal documents must be submitted electronically distefano@usta.com by 5:00 p.m. Eastern Daylight Time (EDT) on July 23. Proposals received after this deadline will not be considered. If a video conference is needed the selected finalists will be invited to present their proposals. Specific dates and times for these presentations will be communicated directly to the shortlisted suppliers.
